# Zachary Lane Spring Break

# Spring Break "Welcome to the Jungle" Non-School Days

Click Here to Register
Registration Deadline is March 17

### Monday Mar 27- On Site: Forest Floor

The Forest Floor is home to many of the most fascinating animals in the jungle. Elephants, tigers, leopards and jaguars are just some of the animals you'll find on the lowest level of the jungle. Join us in activities about what's its like to live on the Forest Floor.

#### Tuesday Mar 28 - "Minnesota Zoo" Field Trip

The Minnesota Zoo is home to many animals including the Red Panda, the Golden Lion Tamarin and the Grey Wolf to name a few. Adventure Club kids will get to see all the different animals the zoo has to offer while learning about what makes each animal unique and special to its species.

Bus Leaves: 9:00 am Returns at 3:30pm

#### Wednesday Mar 29 - On Site: Canopy Layer

Today we will be learning about the Canopy Layer,. The Canopy Layer is home to birds, insects, monkeys and sloths who are nestled in the treetops. Get ready to climb up from the Forest Floor and learn about these astonishing animals and other creepy crawlies!

#### Thursday Mar 30- "Carlson's Lovable Llamas" Field Trip

Adventure Club will be traveling to Waconia, MN to Carlson's Llama Farm. Their mission is to educate the kids on the unique characteristics and abilities of the llama. The kids will get to brush and walk these gentle animals during their trip to the llama farm.

Bus Leaves 9:00 am Return at 3:30 pm

## Friday Mar 31 - On Site: Emergent Layer

The top of the treetops is where we'll be learning today! The Emergent Layer is home to the beautiful Scarlett McCaw and the stealthy Squirrel Monkey. Join us in the on the skyline as we learn about these fascinating creatures.
