- Get involved in the world. Give back. Pay it forward.

In 2017-18 we meet at Robbinsdale Middle School, Plymouth Middle School, and Sandburg Middle School. Shuttle buses will transport students from FAIR to RMS this school year.

Program hours are from school dismissal time until **5:30 p.m.**

Signing your child in and out

- Students will sign-in with staff when they arrive after school and sign out each day when they leave.
 - With parent permission, students may ride the Activities Bus home.
 - With parent permission, students may walk home from The Source. **All students must be picked up no later than 5:30.**
- Our program legally must release children to either parent unless we have a copy of a court order prohibiting one of the parents from having custody of the child.
- If your child legally may not be released into the custody of a parent please provide a copy of the court order to staff before your child begins The Source.

Communication/Parent Involvement

- We feel it is very important to keep the lines of communication open between the parents and The Source. Please keep your email and phone numbers updated with us.
- We appreciate any feedback you can offer to provide for the best possible experience for your family.
- Parents are always welcome to visit the site, or watch and participate in The Source.

Absences

- If your child will not attend The Source on a scheduled day, please call or e-mail us so we know not to expect your child.
- Your child must attend at least 80% of the days he/she is registered with The Source.
- Failure to notify staff of your child's absence from The Source or failure to attend 80% of your registered days may result in termination from the program.

Curriculum/Activity Plans

- Homework time will be available as a choice for all students each day. Staff may assist students with homework as needed.
- Students will have access to school resources such as the gym, computer lab and outdoor areas.
- Our programs are choice based, which means each student has the ability to select his or her activities from a variety of offerings each day.
- Students will help design the program and will have input into what activities are offered and when.

Staff Supervision

- The Source is especially designed for students in middle school as they grow into responsible teens. At times, students will have the opportunity to be outside of the direct supervision of adults with clear expectations about appropriate boundaries and rules.
- Abuse of rules, check-in times and set parameters will result in the loss of privilege in this area. Attention will be given to the needs of young teens and pre-teens and at times different age groups may have different boundaries in terms of supervision. We encourage students to be independent, but provide support for safety and learning.

Enrollment Options

When you register you can pick and choose exactly the days you want to attend The Source. Please pick only what you will actually attend. During the school year, registration will be open each quarter. You will have two weeks prior to the new quarter to register.

If you would like to add a day you did not pick when you first registered you can request a Drop-In Day. Simply go online and request the day, or call the site.
