A grantee hosting a meeting or conference may not use grant funds to pay for food for attendees unless it is necessary and reasonable to accomplish legitimate meeting or conference business. However, budget allocations for food must be approved by MDE. Example: A working lunch might be allowable to ensure full participation by attendees and speeches and training continues during the lunch.

A. **RECORDS.** The grantee shall maintain books, records, documents and other evidence pertaining to the costs and expenses of implementing this application to the extent and in such detail as will accurately reflect all gross costs, direct and indirect, of labor materials, equipment, supplies, services and other costs and expenses of whatever nature. grantee may have for the state's failure to fulfill its obligations pursuant to the award and subsequent awards.

6. OWNERSHIP OF MATERIALS AND INTELLECTUAL PROPERTY RIGHTS

A. INTELLECTUAL PROPERTY RIGHTS:

The state shall own all rights, title and interest in all of the intellectual property rights, including copyrights, patents, trade secrets, trademarks and service marks in the works and documents created and paid for under the award. Works means all inventions, improvements, discoveries (whether or not patentable), databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes and disks conceived, reduced to practice, created or originated by the grantee, its employees, agents and subcontractors, either individually or jointly with others in the performance of this award. Works includes "Documents." Documents are the originals of any databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, disks or other materials, whether in tangible or electronic forms, prepared by the grantee, its employees, agents or subcontractors in the performance of this award. The documents will be the exclusive property of the state and all such documents must be immediately returned to the state by the grantee upon completion or cancellation of the award. To the extent possible, those works eligible for copyright protection under the United States Copyright Act will be deemed to be "works for hire." The grantee assigns all right, title and interest it may have in the works and the documents to the state. The grantee, at the request of the state, shall execute all papers and perform all other acts necessary to transfer or record the state's ownership interest in the works and documents.

- 2) Representation: The grantee must perform all acts, and take all steps necessary to ensure that all intellectual property rights in the works and documents are the sole property of the state, and that neither the grantee nor its employees, agents, or subcontractors retain any interest in and to the works and documents. The grantee represents and warrants that the works and documents do not and will not infringe upon any intellectual property of other persons or entities. Notwithstanding Liability clause 5, the grantee will indemnify; defend, to the extent permitted by the Attorney General; and hold harmless the state, at the grantee's expense, from any action or claim brought against the state to the extent that it is based on a claim that all or part of the works or documents infringe upon the intellectual property rights of others. The grantee will be responsible for payment of any and all such claims, demands, obligations, liabilities, costs and damages, including but not limited to, attorney fees. If such a claim or action arises, or in the grantee's or the state's opinion is likely to arise, the grantee, must at the state's discretion, either procure for the state the right or license to use the intellectual property rights at issue or replace or modify the allegedly infringing works or documents as necessary and appropriate to obviate the infringement claim. This remedy of the state will be in addition and not exclusive of other remedies provided by law.

Under Minnesota Statutes, section 270C.65, and other applicable laws, the grantee consents to disclosure of its SWIFT Vendor ID Number, Social Security number, DUNS number, federal employer tax identification number and/or Minnesota tax identification number, already provided to the state, to federal and state tax agencies and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state tax laws which could result in action requiring the grantee to file state tax returns and pay delinquent state tax liabilities, if any.

10. WORKERS' COMPENSATION

Grantee certifies that it is in compliance with Minnesota Statutes, section 176.181, subdivision 2, pertaining to workers' compensation insurance coverage.
