Instructional Materials Fee

Students are asked to pay a non-refundable materials fee to help cover the cost of purchasing classroom materials that are used by all program participants. This is a one-time fee requested when each student registers for class. Considering our students register for classes at different times of the school year, we have the following breakdown for materials fee: Full Year = \$20, Half Year = \$15, and Re-registration = \$5.

All students will be accepted into the program regardless of their ability to make this contribution.
