By the end of this level, I will be able to:

- Achieve a score of 235+ on CASAS Reading, Writing, or Listening test
- Achieve a grade level score of 5.5+ on a TABE Reading or Language test
- Speak using appropriate verb tenses
- Write sentences using a variety of verb tenses correctly
- Ask and give appropriate responses to questions
- Write a paragraph using introduction, details, and conclusion
- Identify main ideas, supporting details, answer comprehension questions, and understand important vocabulary from context clues from level appropriate reading passages
- Skim/scan for information and/or answers in a reading
- Participate in conversations on a variety of topics and present and defend opinions, propose alternative solutions, and make inferences
- Speak clearly enough to be understood by others and understand the spoken English of native speakers

*Note: Completion of this checklist does not guarantee student readiness for the next level. Final instructor approval is required.*
